## The Venue

Are you looking for a Wedding Reception venue with great character and a real 'Brighton feel' without being in the centre of the busy city?

If an old-fashioned extravagant white wedding isn't quite your thing and you would prefer a more relaxed, fun, and informal day, then The Garden Bar could be the perfect indoor and outdoor venue to celebrate your love and marriage with all the special people in your lives.

Parquetry floors and sunlit rooms make this charming pub and garden a fantastic backdrop for any wedding theme from rustic to vintage, bohemian to romantic, modern to the alternative - we've helped to create them all!

The venue is fully air-conditioned to help you keep cool during Spring/Summer weddings. There are open fires as well as heated and covered booths in the garden, so you and your guests can stay warm and cosy in the Winter months.

The huge south-facing garden and pub have been cleverly configured to split into two separate and private spaces for you to choose from. We only hold one private event at a time, so we can provide the best service possible to you and your guests, and make sure your day is everything you hoped it would be, and more!

## Capacity & Pricing

**Private Hire of the East Wing & Apple Tree Corner**  
30-90 guests - 40 seated inside - 70 seated in the garden.

**Private Hire of the West Wing & Garden**  
70-150 guests - 50 seated inside - 150 seated in the garden.

**Exclusive hire of the Whole Venue**  
Up to 250 guests, available Monday-Wednesday off-peak only.

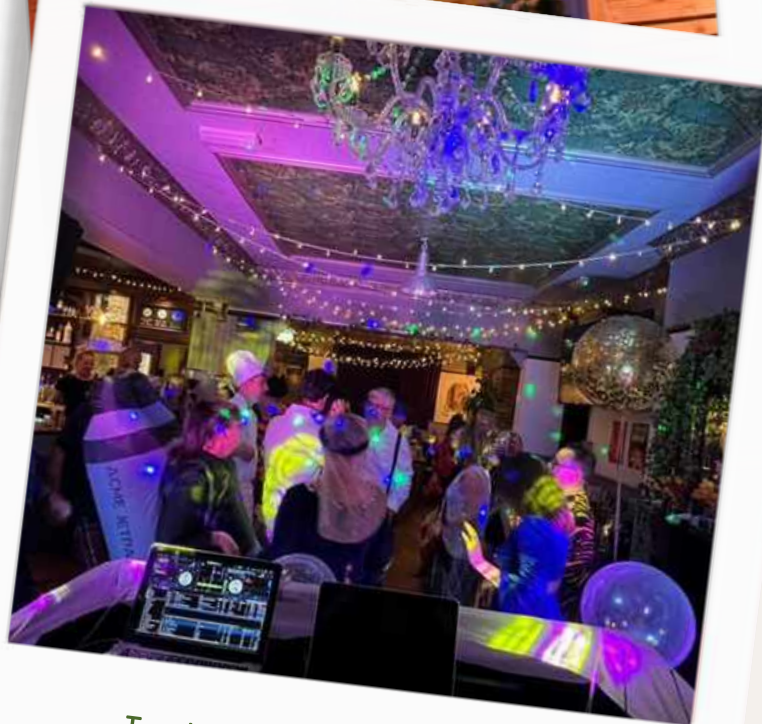

## Pricing

There are no venue hire fees, as we operate on a minimum spend basis. Any food and drink that you pre-order, as well as your guests' bar spend will be deducted from your required minimum spend. Minimum spend amounts vary depending on the time, day & month. Weekdays carry a lower minimum spend, so if you are open to the idea of a weekday wedding, be sure to let us know and we can send you a quote for both options to see what works best for you!

A security deposit is required to confirm your booking. The deposit will be returned to you within 2 weeks after the event, as long as the minimum spend has been reached and no damages or extra charges have occurred during the event.
